PROSPECTUS

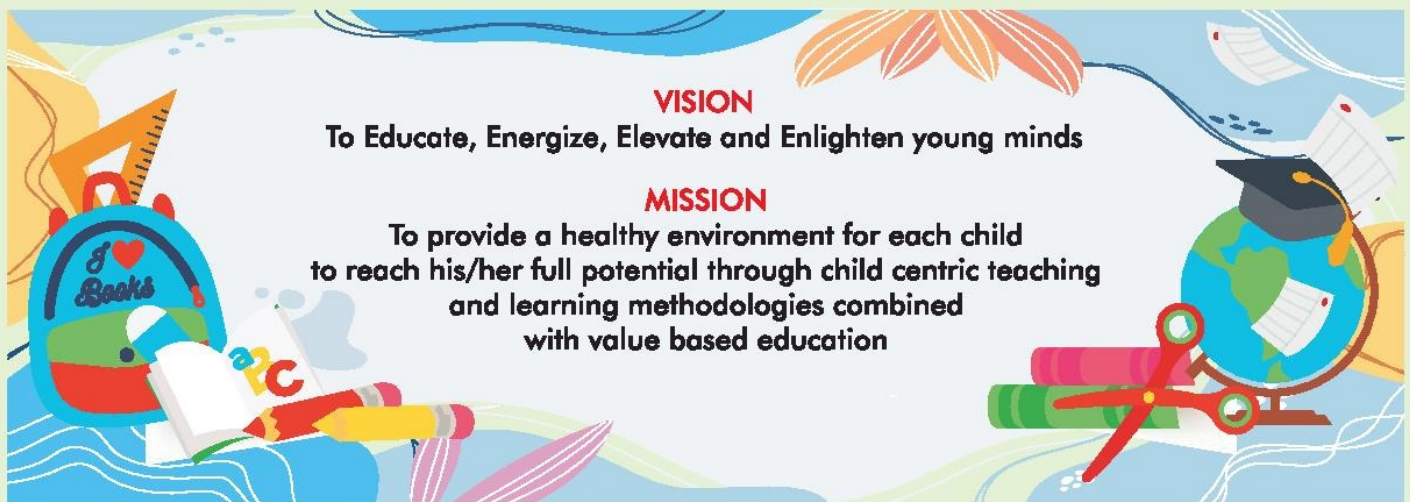

About the School :

Mahatma Gandhi Educational Trust was founded by Dr. Kalpana Sankar to ensure quality education to persons in and around Kancheepuram.

The Mahatma Gandhi Educational Trust was established with a vision to impart quality education to elevate, energize and empower young minds in and around Kancheepuram. The two schools Mahatma Gandhi Nursery and Primary School & Mahatma Gandhi Matriculation Schools focus on child centric learning and teaching and provides value education to children. The infrastructure is ideal for learning and allows young minds to explore their curiosity.

Objectives:

- ★ To ensure every child reaches his or her full potential
- ★ To impart education through English as the medium of instruction.
- ★ To ensure every child gets personalized attention for holistic development.
- ★ To maintain high standards of academic and co- curricular activities.
- ★ To foster and monitor physical, mental, intellectual, emotional and social development of the students.
- ★ To enhance teaching quality through regular resource inputs.

We understand that every child has a responsibility to make a difference in the world. By providing the right opportunities, we allow children to identify their strengths and work with them to overcome their weaknesses. Experienced teachers, supportive infrastructure, technology based classrooms and balanced extracurriculars ensure that school is a place that children come to learn and grow !

Why we are Special?

- ★ Mahatma Gandhi schools are english medium schools which have been imparting quality value based education to students over the last 15 years with the guidance of experienced trustees and professional steering committee.
- ★ Mahatma Gandhi School boasts of competent and highly qualified teachers. They believe in making teaching a real experience than making the children glued to books.
- ★ Classrooms are spaciouly designed to seat all the students.
- ★ Our school is equipped with an Audio Visual System, Computer facilities accompanied by activity areas.
- ★ Science lab is designed for the students from class 6 to 10. It is equipped with very modern and practically useful infrastructutre.
- ★ Our school has library stocked with more than 2000 books :- A true treasure of knowledge, information and education is conferred through techno based amazon Kindle library.
- ★ Our Schools have safe and adequate drinking water facility and separate toilets for boys and girls.
- ★ We have canteen facility with hygienic and homely food, provided at subsidised price.
- ★ The playground of our schools is vast and it is designed for playing, various games like volleyball, Kho-kho, Kabaddi, Yoga and Track events.
- ★ Our Schools honour and respect the art and culture of India. Apart from usual art and cultural activities the schools organize annual day and sports day.
- ★ With every possible oppotunity for the overall development of a child, Mahatma Gandhi Schools are the best school ever, offering Human Value Classes.

Programs and Activities

Students spread awareness about the importance and effects of yoga on the health of the people.

Integrated sports facilities to make sure children are physically and mentally fit!

Colours Day celebrations for KG classes

Activities like solving mathematical puzzles, constructing Tangrams etc. on National Math Day

Math & Science Exhibition

Students used their scientific and mathematical knowledge and brought the best invention from their brains. It was a perfect fusion of teaching and learning.

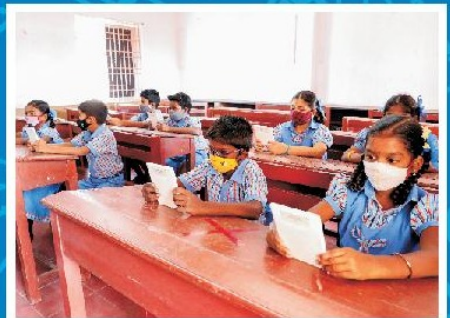

Annual Sports Day

It demonstrates that school is about more than just academic achievement. A robust mind and a lively body is the fundamental requirement for a long and healthy life. It was a day filled with sportmanship, enthusiasm and memories to cherish.

ANNUAL DAY

An integral part of our school activities was an occasion of celebration, felicitation, feast and festivity where students presented their wonderful performances.

AMAZON KINDLE

To encourage the reading habit among children "Amazon Kindle" pilot project is launched for students of classes 4 to 7, a new initiative to improve the reading skills.

BAL VIKAS PROGRAM

An integral part of the school curriculum, the human values program works towards arousing intrinsic motivation to explore profound insights of mind and emotion.
